

Pop Up World TV

Who Are We?

Pop Up World and **Pop Up World TV** is a community focused **digital video platform** and '**Super-App**'. Entrepreneurs, Start-ups and Businesses both large and small can access applications and content to help them learn, grow and create!

Where Are We?

We operate **Worldwide** based in the **UK, London**.

Why Pop Up World TV?

Quality Independent **Video Content Creators and Entrepreneurs** need a **backup and alternative plan** to distribute their quality content worldwide without the threat of demonitisation, deplatforming and the pressure to create content for content's sake.

At Pop Up World TV **you get paid per subscriber**, not on views. Users can select Creators they want to follow and **a percentage of the subscription goes to the Creator**. No pressure, no trolls! Create quality content at your own pace. Just **grow your following!**

Pop Up World TV

From **Independent Feature Films, Movie Shorts, Podcasts and 'How to Videos'**. Pop Up World TV provides a platform not only to upload your video content, but also tools to genuinely help **grow your thriving business**.
